Dr. Enzo RAMALLI - Financial Planner and Neuro-Linguistic Programmer, born and resident in the province of Florence, has been enrolled in the Register of Financial Advisors of Tuscany since March 1994 (CONSOB resolution no. 7913). He is registered in Section E of the Single Computer Register held at ISVAP.

With economic and legal training and with a Master in Neuro-Linguistic Programming, he held managerial positions for some of the most well-known companies in the sector (BANCA MEDIOLANUM - FININVEST GROUP; DIVALRAS etc.) before dealing at national and international level with the recruitment and selection of financial advisors founding "EURORECRUITING".

In 2011 he associated his many years of experience as "Head Hunter" with that of "Ambassador for Africa" of some projects, including "X-Panel System" introduced and presented in Senegal, Mali, Ivory Coast, Burkina Faso , Niger and Guinea working alongside the local government and military authorities by the companies created and founded locally, owned by the "LA COST" Group of which he was President of the Board of Directors, today <https://www.costantinilegno.it/case-in>.

From February 2012 called by the Vice President Dr. Pellati Francesco, then a director of the Banca Cassa di Risparmio di Firenze - INTESA SAN PAOLO Group <https://www.intesasanpaolo.com/> and President of the trade union relations department of AIMPES (national association of leather goods, member of Confindustria <https://www.confindustria.it/home>) to be part of the Cooperative called "OBIETTIVO SISTEMA COUNTRY SOCIETY COOPERATIVE" based in Florence, whose presidency was appointed by the lawyer Alessandro Belli di Pistoia (former Board Member of WASS joint stock company with single shareholder FINMECCANICA SPA - defense systems sector).

Operating in the territories of South Saharan Africa, it periodically receives tenders for Italian companies that want to operate in those territories, making use of local companies that can ensure labor at more competitive costs: an activity that it carries out with the help of reliable partners.

Proud to receive purchase proposals for "MADE IN ITALY" products to promote the turnover and growth of Italian companies and the knowledge of the "BRAND" and Italian excellence, he is passionately dedicated to promoting the exchange between products, countries and different continents.
